# Welcome

## Join us for SpringWorld 2026!

The Chicago Association of Spring Manufacturers, Inc. (CASMI) would like to extend to you an invitation to join us **Oct 7-9, 2026, in Rosemont, Illinois**, as spring manufacturing industry professionals from all over the world gather together for multiple days of professional development, knowledge sharing and networking.

We are grateful for our continued partnership with the Spring Manufacturers Institute (SMI), combining the two organizations' biennial events into one foremost industry event. SMI will host three days of unparalleled business and technical content, including more than 15 educational sessions. The exhibit hall, hosted by CASMI, is the place for OEMs, spring manufacturers, distributors, coiling, grinding, peening, and wireforming companies to showcase the newest equipment and latest technologies to key decision makers in the industry.

Both exhibitors and sponsors are an essential part of the fabric of SpringWorld's biennial event. Together, with the educational speakers, you create the energy, excitement, and education that makes this a premier event.

Both CASMI and SMI have assembled a variety of advertising and sponsorship opportunities to support your participation in the event. From advertising in the Program Guide, becoming a Symposium Room Sponsor, to placing an insert in the conference tote bag, there's something to meet every budget and marketing goal.
